### Disagreeing Bears.

Omaha, 15.—Many have been puzzled to understand why the woman suffrage convention for the United States should convene in this city two weeks ahead of the date for the National Woman's Suffrage convention, and many have been led into confounding the two. One of the officers of the latter named convention says it will be held as announced in Omaha, commencing on the 26th, with Phoebe Couzens, Mathilda Joselyn Gage, Lillie Devereaux Blake, Susan B. Anthony and other prominent associates in attendance. The present convention, "the Boston ring," as it is called, is composed largely of Nebraska people, but it is run by Lucy Stone, who is a seceder from the National, and by her husband, Dr. Blackwell, at Boston. The manager of each convention ignores the other in the calls. The only difference is that the National holds woman's suffrage is a national right, whereas the American holds that it is a state rights question.

### Fire.

Toledo, O., 15.—This morning a fire broke out in the extensive lumber mill of the Mitchell and Howland Lumber Company, entirely destroying it. The fire also spread to the large piles of lumber with which the yards were filled, and before the flames were checked from 13,000,000 to 14,000,000 feet of lumber was consumed. The loss on the mill was \$100,000, insured for \$60,000; on the lumber \$200,000, which is covered by insurance. Nearly all insurance companies represented here are interested in this loss.

San Francisco, 15.—A fire broke out this afternoon in a large hay barn on Fourth street, between King and Berry, destroying the building and contents, meat packing establishment adjoining, grocery and saloon restaurant, blacksmith shop and cigar box factory. Losses aggregate between \$30,000 and \$40,000.

### Big Betting.

New York, 15.—A special to the World speaks of the race between "Barrel," "Boot Jack" and "Girofle," at Coney Island to-day says: Ever since it was announced the feeling has run high as to which would win, "Barrel" or "Girofle." The betting was very heavy, admirers of "Barrel" and "Girofle" literally throwing money into the boxes, supporters of "Barrel" being especially confident; but the climax was reached when Walton, the "plunger," bet a well known Anglo-American firm \$10,000 against \$14,000 that "Girofle" would beat "Barrel," and in a few minutes after Ward bet the same firm \$10,000 even the same way—making a bet of \$30,000 to \$24,000. This, if not absolutely the largest transaction seen in the race track for some years, is certainly very nearly the largest. The race was easily won by "Girofle" in 141/2.

### Mad Mary.

Chicago, 15.—Washington special: Dr. Mary Walker, again in trouble recently about her commitment in the interior department, with permission to wear her trousers; yesterday she received notice of promotion. At 10 o'clock last night she called on Assistant Secretary Jocelyn, in a terrible rage because in her notification she was mentioned as Mrs. Instead of Miss, neither "Dr." was prefixed nor "M. D." affixed to her name, and because the signature to the document was put on with a hand stamp, instead of being written. Mr. Jocelyn had to flee from the room, and abscond himself till she was gone.

### International Match.

Creedmoor, 15.—Eight hundred yard target: American—Hinds 19, Dolan 16, McKevlin 17, Bismar 19, Smith 28, Paulding 29, Ogden 27, Atkinson 19, Pollard 23, Shakespear 15, Howard 19. Total for Americans at 800 yards, 255. British—Heap 19, Bouter 31, Goddard 33, Humphrey 21, Caldwell 25, Powrie 29, Gorda 29, Perry 25, Bates 21, McVitie 25, Oliver 21, Dods 23. Total for British, 233.

### Tracy Hanged.

Chicago, 15.—On the scaffold Tracy said, I have nothing to say except that I am an innocent man. Though I met my maker soon, I can but declare my innocence. Truth is mighty and it will prevail. I die an innocent man. At 2:08 the pulse was 140; at 2:11 it had ceased to beat; at 2:14 heart pulsation stopped; at 2:25 he was pronounced dead, and at 2:28 the body was cut down.

### Lightning.

New York, 15.—During a thunder storm last night, lightning struck Lane & Fleming's works at Kingsland and Moserole avenue, and Donaldson's oil works in Kingsland near Muker avenue, setting them both on fire. Both buildings were destroyed. A fireman was killed by the explosion. Loss \$20,000.

### Cable Clinks.

London, 15.—The race between the Hilledale crew and the Thames rowing club was won by the Thames, by two lengths. The Hilledale broke the slide after leading two miles, hence their defeat.

London.—The Doncaster stakes were won by "Anastasia." "Runs" second. "Quicktime" third. Doncaster cup was won by "Retreat." "Our John" second.

### A Tornado.

Waterbury, Conn., 15.—It is reported that four persons were killed by a tornado at Waterbury last night.

### Business Failures.

New York, 15.—Failures for seven days reported to New York, 108, of which 161 occurred in the country generally, and seven in New York city.

### Star Routes.

Washington, 15.—The verdict in the case of Miner and Rordell has been set aside and they have been granted a new trial.
